Reference: 12 Day Pre-Special Report (4/1/07 - 5/30/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

- While it is permissible for a person to make a contribution for the special general runoff election prior to the special general election, the recipient committee must employ an acceptable accounting method to distinguish between special general and special general runoff election contributions. (11 CFR § 102.9(e)) This special general runoff election amount must be maintained in the committee's account.

Since the candidate will not participate in the special general runoff election, any contribution received for the special general runoff election must be returned to the donors or redesignated to the special general if your committee has net debts outstanding for the special general election. To redesignate a contribution the committee must either (1) obtain signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) redesignate by presumption the excessive portion of the contribution for the special general election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing. The notification must give the contributor an opportunity to request a refund. A contribution can only be
